

THE BOWYER FAMILY MEMORIAL TRUST

'supporting agriculture into the future'

NEWSLETTER – November, 2021

Top: photos this year have been used in our new leaflet, farming old and new!

Other photo is of our one and only venture out this year with a stall at Bampton Charter Fair inside the Church, and many thanks to Gordon & Sarah coming all the way from Suffolk to help Maureen.

Your committee have been holding zoom meetings, and then most members met for our AGM and committee meeting recently (first time since 2019) although two members still using zoom.

We have been very lucky to have some income this year from the Car Boot Sales, so we have supported three students at Brymore, two for the second time, one for the first time and also a student at Royal Agricultural University for the second time.

We have once again supported Berkshire YFC towards their capitation fees, and have offered to supply the rosettes once again as they are hoping to have a County Fayre in May, 2022.

We are encouraged by our new website, especially the Paypal Donate button, and have received donations from new people and companies. Also the sale of handmade articles, and renewed orders for the print of RFAA show by Alex Williams, especially with the footer 'Patron – HRH The Duke of Edinburgh'.

I again would urge you to become a friend of the Trust. You can either give a one off donation, or make it a regular thing, especially if you are a tax payer. You will find this even easier with the Donate Button on the website – www.bfmt.org.uk
