

# THE BOWYER FAMILY MEMORIAL TRUST

*'supporting agriculture into the future'*

## NEWSLETTER – November, 2025

Dear friends and supporters of the Bowyer Family Memorial Trust,

Again a very changeable year – we now have two new Trustees of the next generation. Taken from the five new members who joined the committee in 2024.

In April 2025 we sponsored five boys at Brymore, plus one boy who was going on to do an Apprenticeship course at Easton College in Norfolk.

Again in September 2025 we have sponsored two more boys at Brymore (plus another new application in the pipeline)

We have now started to approach more Agricultural Colleges, and the Royal Agricultural University, even now have our own QR Code which will be on our advertisements and obviously used by the Colleges.

Also not forgetting various support for Berkshire Young Farmers; and Royal Forest Agricultural Association.

Now things are changing so much, we think this will be the last Newsletter. So a blast from the past – one of our YFC adverts of 2009!

In addition to assisting individual Young Farmers on short or longer courses at an Agricultural College, we are able to help group and individual projects that involve an agricultural or rural learning theme or topic.
